A Breath of Fresh Air for the Whole Home

R MAX
Best in class UV Air Purifier and Odor Removal System

The Sanuvov R Max represents an evolution in UV for whole home air treatment. The high-efficiency patented design destroys airborne bio-chemical contaminants, while providing important user information on the 3" Back-Lit LCD display.

Installed into the return or supply plenum, the Sanuvov proprietary process maximizes dwell (contact) time between the air and UV energy.

With the ability to treat homes up to 4,000 sq.ft., the patented technology rapidly purifies the air and removes odors within the home.
