PLATINUM SERIES

American Standard® Heating and Air Conditioning Platinum air conditioners offer top-of-the-line quality and performance to keep your home comfortable. The quiet, high-efficiency Duration™ variable speed compressor runs at lower speeds for longer periods of time—with up to 700 speeds providing precise temperature control while saving on energy bills.

GOLD SERIES

American Standard's Gold Series air conditioners feature Duration two-stage compressors with high and low speeds to keep your home comfortable when it's hot and sticky outside. As with the Platinum series, our proprietary Spine Fin coils ensure efficient heat transfer and provide excellent durability.

SILVER SERIES

Silver Series air conditioners from American Standard keep your home cool by pairing hardworking, single-stage Duration compressors with the same Spine Fin coils found in the Platinum and Gold models. Designed for zero-lot-line applications and other tight spaces, the Silver 16 Low Profile air conditioner keeps your family comfortable no matter your space constraints.

AWARD-WINNING EXCELLENCE.

2019

Top Tier Owner Satisfaction for Gas Furnaces

"A National Product Testing and Research Magazine"

In a 2018 Winter Survey & 2019 Summer Survey of 48,318 subscribers, American Standard gas furnaces rated Top Tier in Owner Satisfaction for new units purchased between 2003 & 2019.

Top Tier Owner Satisfaction for Heat Pumps

"A National Product Testing and Research Magazine"

In a 2018 Winter Survey & 2019 Summer Survey of 12,463 subscribers, American Standard heat pumps rated Top Tier in Owner Satisfaction for new units purchased between 2003 & 2019.

2018

Top Tier Owner Satisfaction for Central Air Conditioning

"A National Product Testing and Research Magazine"

In a 2017 Fall Survey & 2018 Summer Survey of 21,770 subscribers, American Standard central air conditioning systems rated as Top Tier in Owner Satisfaction for new units purchased 2007 - 2018.

*Based on a statistical model that estimates problem rates for heating or cooling within the first 8 years of ownership, for heat pumps that are not covered by an extended warranty or service contract, American Standard heat pumps rated as Top Tier in a 2018 Winter Survey and 2019 Summer Survey of 12,463 heat pumps, owned by members who purchased a new heat pump [unit] between 2003 and 2019.

WE OBSESS OVER IT SO YOU DON'T.

For over a hundred years, we've made some of the most awarded, well-engineered heating and conditioning equipment, and earned a reputation for doing things ...right. And through it all, we've followed a pretty simple idea: "A Higher Standard" isn't just how we build our products. It's how we build our relationships with the customers who depend on us every single day.

A CLOSER LOOK

Appliance-Grade Finish

Durable powder-painted louvers resist rust and corrosion, eliminate sharp edges and provide years of lasting protection.

AccuLink™ Communicating Control Board

Maintains consistent comfort and efficiency by powering the compressor and controlling communication between all components of the system.

Heavy-Duty Steel Louvered Panels

Protect the coil from dirt and damage while providing substantial airflow.

Durabase™ Basepan

Built to resist cracks, rust and corrosion.

SermaGuard™ Rust-Resistant Screws

Zinc-coated for corrosion resistance and longer life.

Variable-Speed Fan Motor

Adjusts speed based on cooling requirements for higher efficiency and quieter operation.

All-aluminum Spine Fin™ coil

An exclusive design makes it extremely efficient at transferring heat and highly resistant to corrosion.

Compressor Sound Insulator

Reduces operating noise for a quieter home environment.

Duration™ variable speed compressor

Automatically makes constant, minute adjustments to avoid temperature swings in your home and maintain consistent comfort and optimal efficiency.

Platinum 20

All Weather™ Top Kit

- Available as an accessory and aftermarket kit
- Keeps snow, rain, leaves, and debris out
- Reduces icing during severe operating conditions
- Additional protection for small children playing near unit

Features and components may vary by model and are shown for illustration purposes only.

*An American Standard Platinum 1050 or 850 control is required for all Platinum 20 or Platinum 18 air conditioners.

COMFORTABLE. RELIABLE. EFFICIENT.

Optimize the comfort and efficiency of your home with the American Standard Home smart comfort system. The American Standard Home mobile app gives you remote access to your HVAC system through your connected American Standard smart thermostat. Adjust your temperature, set your schedule, and view your HVAC usage from anywhere.

WHY IS INDOOR AIR QUALITY IMPORTANT?

We spend 90% of our time indoors, and 70% of that is in our home² where the air can be up to 5X poorer quality than the air outside³. So, AccuClean[®] utilizes patented technology to deliver cleaner air to the whole home by removing up to 99.98% of airborne particles⁴ that pass through the re-usable filter, including 99.9% of the Influenza A (H1N1) virus⁶. This level of filtration makes it up to 100X more effective than a standard 1" filter⁵. Plus, it's the **ONLY** whole-home electronic air cleaner that is certified **asthma & allergy friendly**⁷ by the Asthma & Allergy Foundation of America.

American Standard Home connects to your American Standard HVAC system to provide you with remote control and diagnostics. To view additional integrations and subscriptions, visit our Knowledge Base at AmericanStandardAir.com/home-subscription.

² The National Human Activity Pattern Survey (2001)
³ U.S. Environmental Protection Agency. EPA/600/6-87/002a. (1987)
⁴ Based on 3rd party testing of particle removal efficiency down to 0.3 microns (2005)
⁵ Assuming <1% removal rate of 0.3 – 10 micron particles
⁶ As reported by airimid healthgroup in ASCR092142v2 (2015)

We are committed to using environmentally friendly printing practices.
